

MANIT AND IIIT, BHOPAL ALONGWITH UGC IS ORGANISING A ONE DAY NATIONAL WEBINAR ON "GENDER BIAS, STEREOTYPING, GENDER EQUALITY & WOMEN'S RIGHTS"

Maulana Azad National Institute of Technology and Indian Institute of Information Technology alongwith UGC is organising a one day national webinar on "Gender Bias, Stereotyping, Gender Equality & Women's Rights".

Discrimination against women and girls is a pervasive and long-running phenomenon that characterises Indian society at every level.

While increasing representation of women in the public spheres is important and can potentially be attained through some form of affirmative action, an attitudinal shift is essential for women to be considered as equal within their homes and in broader society.

The program aims to address the issues pertaining to gender equality as a meaningful start in this regard.

The webinar is open to all interested members of society whether male or female, who believe in gender equality.
