Greetings from the IIIT Bhopal Family!

Our students of 2023 Batch will be graduating next year, from the departments of Computer Science and Engineering, Electronics and Communication Engineering and Information Technology. More than **310 students** from our 2023 and 2024 batches will be looking for **full-time** and **internship opportunities** soon.

It gives us immense pleasure to invite you for campus recruitment at Indian Institute of Information Technology (IIIT) Bhopal, an "Institute of National Importance". With NIT Bhopal as our mentor institute, the skill set and knowledge base of our students is on par with those from other national institutions. **Our students from all three departments share the same curriculum for five semesters and boast equal exposure.**

From students engaged in startups by IIM Alumnus to being at the forefront of solving problems using in-demand technologies across domains like Blockchain, Cryptography, Internet of Things, Artificial Intelligence, Machine Learning, Deep Learning, Data Science & Analytics, Big Data, Cloud Computing, Data Mining, Data Security, AR/VR, Cyber Security, Mobile Application development, full-stack web development, System Design, Electronics System Design, VLSI, Embedded Systems, Image Processing, Signal Processing, etc. at national and international level within the context of larger humanistic concerns, the wide ranging spectrum of skill-set canbe clearly demonstrated.

Despite our second batch yet to pass out in June'22, we have been able to leave a lasting impacton the pioneers in the industry with **more than 40 companies like Amazon, Intuit, Nvidia, Qualcomm, Commvault, Delhivery, National Instruments, Synopsys, GEP, Buddi.ai, Jivox, Nextuple, Zebpay, Nagarro, Modak, Maq Software, Saggezza, etc.** recruiting from our diverse talent pool, making us stand proudly in the league of Institutes of National Importance.

Our institution will be given the NIRF ranking on completion of its 5 years from the date of establishment (July 2017). IIIT Bhopal harbors the top 2% of talent across the information and communication technology domains all around India, who are admitted through JEE MAINS. We would like to extend a cordial invitation to you for participation in the campus recruitment programme at IIIT Bhopal. We assure you to provide highly talented and skilled individuals who are eager to learn and grow.

Please feel free to contact us, should you require further information.

Looking forward to establishing a long lasting and mutually beneficial relationship with you.

Warm Regards

Prof. Ajay Srivastava
